FLYING BOATS OF SOUTHAMPTON

presented by Colin van Geffen

Flying boats were an interesting but now little known form of luxury travel from WWI to the 1950s. Imperial Airways (later BOAC) flew globally from local bases at Hythe and Southampton. Flights to Australia, for example, stopped for refuelling and overnight stays at romantic places like Paris, Brindisi, Cairo, Karachi, Rangoon, Singapore and Darwin.

An Imperial Airways 'Empire' Flying Boat named Cambria at Hythe, Hampshire in February 1937

Monday 7th November 2022 6:30pm
